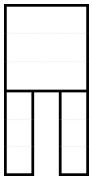
**March 02, 2026: On How I Know the System is Fake, Rigged, and Clogged by Design**

12, Clogging by No Unity: I am placing myself in a restricted, hidden, position in order to use my virtues in their full capacity. I am carefully and properly adding to and taking away from my inclinations, and NOT finding glory in occupying a position with high wages in order to avoid afflictions and difficulties.

**Once inverted to the designs of evil become**: I am (a sleeper) placing myself in a restricted, (specially designed) hidden, position in order to use my virtues (of sabotaging important votes) in their full capacity. I am carefully and properly adding to (the incorrect inclinations) and taking away from (the correct inclinations), and I AM finding glory in occupying a position with high wages (specifically) in order to CREATE afflictions and difficulties where there were none before.

Degree 11 - Sign 12
Clogging By No Unity



SPIRITUALLY SEPARATING: HEAVEN, RISING ABOVE EARTH'S HORIZON

When I am earth yielding, sky being;

Then I am separating the substances of life in order to stop interacting and developing.

Inside, I am sheltering in the protection of heaven's leading impulse (placing myself in a restricted and hidden position in order to use my virtues in their full capacity); and

Outside, I am trimming away the excesses of earth's heavenly yield (carefully and properly adding to and taking away from my inclinations, and not finding glory in occupying a position with high wages in order to avoid afflictions and difficulties).

11

After 250 YEARS of America, and 2,025 YEARS of Christianity, and 2,500 YEARS of Judaism, we still can't figure out the traditional versus progressive viewpoints and arguments? Seriously? Democrats are UNITED IN EVERYTHING! (EXCEPT the WAR POWERS of the USA MILITARY?!) Give me a break! And Republicans are the party of fiscal conservatism and conservative values, yet STILL CANNOT DETERMINE what is means to

actually conserve the values that have been in existence for 3,000 years?! Give me a break!

This dramatic ego-ism and dramatic egotism is a play that has no ending in sight and I am tired of watching the same re-runs over and over again.

The system is FAKE, CONTROLLED BY THE USA MILITARY, AND IS DESIGNED TO FAIL AT 1) LIMITING THEIR WAR POWERS, AND 2) LIMITING THEIR WAR BUDGET!

IT'S ALL A BULLSHIT CHARADE OF BULLS ON PARADE AND I AM SICK OF IT!

Analysis

Democrats thrown into disarray as US offensive on Iran creates cracks

David Smith in Washington

Lawmakers from Sanders to Mark Kelly offer mixed feelings on Trump's action and killing of Iranian supreme leader

Others, however, were more qualified. Tom Suozzi, a New York Democrat who co-chairs the Problem Solvers caucus, wrote on X: "I agree with the President's objectives that Iran can never be allowed to obtain nuclear capabilities." Henry Cuellar of Texas said the threat posed by Iran was "real and longstanding".

And not all Democrats are lining up behind a war powers rebuke. In the House of Representatives, Josh Gottheimer applauded the administration's "decisive action" to defend American interests and allies. Greg Landsman argued that the US "is destroying Iran's missiles and bombs to stop them from taking more lives", and said he would oppose a resolution that he fears would amount to abandoning Israel.

Congressman Jared Moskowitz rehearsed Tehran's long record of sponsoring violence across the region and insisted the focus must now be on shaping what comes next rather than relitigating what has already happened.

There may be enough defections to block a war powers resolution, although a few libertarian Republicans could join those in favor. The split also exposes a deeper unease within Democratic ranks over how robustly to confront Iran and how far to go in backing Israeli military action. There are also political traps as Republicans accuse them of lacking patriotism and ignoring the Iranian diaspora who have taken to the streets to celebrate Khamenei's downfall.

AND AS I WRITE THIS I HAVE THEM SPYING ON ME INSIDE OF MY HOUSE, AND DRIVING CARS PAST MY HOME HEAVILY BASS-ING THEIR APPROVAL OF MY DISGUST.

FUCK THE UNITED STATES MILI-TURDS
(I SHITTED ON 'EM, RIGHT NIKKI MINAJ?)

AND FUCK THE UNITED STATES CONGRESS OF SABOTEURS AND LOW-LIFES THAT ARE COLLECTING GOVERNMENT CHECKS TO RUIN OUR LIVES.
